TRACSA CAT

A large, brightly lit sign is the central focus, displaying the text "TRACSA CAT" in bold, black, sans-serif capital letters. The sign is rectangular and appears to be made of a translucent material that is internally illuminated, giving it a strong yellow glow. To the right of the sign, a white pickup truck with a metal bed is parked. Behind the truck, a crane with a long, dark boom extends upwards and to the right. The background is dark, suggesting a night scene. A tall, thin, dark chimney or tower is visible in the background, rising above the sign. The overall scene is dimly lit, with the primary light source being the sign itself.

TRACSA CAT

The image shows a large, rectangular sign being hoisted by a yellow crane. The sign is split vertically: the left half is yellow with the word "TRACSA" in black, and the right half is black with the word "CAT" in white, accompanied by a yellow triangle logo. The sign is suspended by cables from the crane's hook. The crane is positioned on a dirt construction site. In the background, there are green trees, a fence, and a white pickup truck. Two workers in blue shirts and hard hats are visible in the foreground, one standing and one crouching. The sky is overcast with grey clouds.

A large rectangular sign is being hoisted by a crane. The sign is split into two color sections: a yellow left half and a black right half. The word 'TRACSA' is printed in bold black letters on the yellow background. The word 'CAT' is printed in white on the black background, with a yellow triangle underneath the 'A'. The crane's hook and cables are visible at the top of the sign.
